# BAGATELLE NURSERY

HALF HOLLOW HILLS  
*Long Island*

HUNTINGTON STATION, N.Y.  
*Phone: Farmingdale 850*

## WHOLESALE PRICE LIST—FALL 1931

### Easy Ways to Reach Us

- (1) Public Road—go east via Jericho Turnpike about 34 miles from New York. At the “Dew Drop Inn”—turn right, and as every corner is plainly posted “Bagatelle Nursery” you’ll have no trouble in finding us.
- (2) Motor Parkway via Long Island Motor Parkway beginning at Nassau Boulevard—just outside of Flushing, Long Island. Drive about 30 miles to Huntington Toll Gate. Continue on Parkway 4½ miles to first cross road, where you turn left, at a sign—“Bagatelle Nursery.”

Prices include B. & B. plants guaranteed to be first class in every way. We have large quantities of all the plants offered in this list and will quote attractive prices for larger quantities. For terms please see our printed catalog.

### Conifers

|                                |       | Height | Each       |
|--------------------------------|-------|--------|------------|
| Cedrus Deodara                 | ..... | 3 -4   | ft. \$4.00 |
| “ “                            | ..... | 4 -5   | ft. 6.00   |
| “ “                            | ..... | 5 -6   | ft. 7.50   |
| Chamaecyparis Lawsoniana Alumi | ..... | 3 -4   | ft. 2.50   |
| “ “ “                          | ..... | 4 -5   | ft. 4.00   |
| “ “ “                          | ..... | 6 -7   | ft. 20.00  |
| “ “ “                          | ..... | 7 -8   | ft. 25.00  |
| Cryptomeria dacrydioides       | ..... | 3 -4   | ft. 4.00   |
| “ “                            | ..... | 4 -5   | ft. 6.00   |

## Broad Leaved Evergreens

|                                | Height          | Each   |
|--------------------------------|-----------------|--------|
| Cotoneaster horizontalis ..... | diam. 30-36 in. | \$5.00 |

These are very fine plants, they were grown in pots until last year and fieldgrown since this spring.

### Rhododendron Hybrid Seedlings:

We have a very large quantity of this class of Rhododenron, mostly seedlings of selected hardy types. The colors are mostly pink and lavender with a few reds; we do not supply them labelled as to color.

|                         |           |      |
|-------------------------|-----------|------|
| Well shaped plants..... | 21-24 in. | 3.50 |
| "      "      ".....    | 24-27 in. | 4.00 |
| "      "      ".....    | 27-30 in. | 5.00 |
| "      "      ".....    | 30-33 in. | 6.00 |

## Shrubs

|                                 |         |      |
|---------------------------------|---------|------|
| Crataegus oxyacantha Pauli..... | 4-5 ft. | 1.00 |
| "      "      ".....            | 5-6 ft. | 1.50 |

Malus (Flowering Crab) in the following varieties:

Arnoldiana  
Floribunda  
Niedzwetzkyana  
loensis plena (Bechtel's)  
Eleyi  
Parkmanni  
Sieboldi  
Spectabilis  
Theifera

|  |         |      |
|--|---------|------|
| 4 year old plants, not widely branched.....  | 4-5 ft. | .75  |
| "      "      "      ".....  | 5-6 ft. | 1.00 |
| very strong, bushy plants.....   | 6-8 ft. | 5.00 |
| Morus alba plena (Weeping Mulberry)  |         |      |
| unusually strong and well shaped plants, stems ft. 6,<br>cal. 2½-3 inches, 5 yr. old crowns..... | 5.00    |      |
| Prunus (Flowering Cherries)  |         |      |
| assorted varieties .....   | 5-6 ft. | 4.00 |
| Prunus subhirtella pendula (Weeping Fl. Ch.)   |         |      |
| stems ft. 6, crowns 3 and 4 year old.....  | 5.00    |      |
| Syringa vulgaris (Common Lilac).....   | 4-5 ft. | 2.50 |

## Shade Trees

We have a considerable quantity of the following Shade Trees. They have all been staked, have straight stems and well balanced heads.

|   |                |        |
|---|----------------|--------|
| Acer platanoides (Norway Maple).....      | cal. 1½-1¾ in. | \$3.75 |
| "      "      ".....                      | cal. 1¾-2 in.  | 4.25   |
| Platanus orientalis (Oriental Plane)..... | cal. 1¾-2 in.  | 2.50   |
| "      "      ".....                      | cal. 2 -2½ in. | 3.75   |
| Ulmus pumila (Siberian Elm).....          | cal. 1¾-2 in.  | 2.50   |
| "      "      ".....                      | cal. 2 -2½ in. | 3.50   |
| "      "      ".....                      | cal. 2½-3 in.  | 5.00   |

We deliver by truck within a radius of 50 miles and charge according to distance and size of truck. Shipping by truck omits packing charges. If shipped by express or freight, we charge the actual cost of the material used for packing. No packing charges for carload lots.
